31<sup>st</sup> January 2024

Dear Parents,

Please could your child bring in their costume for our class performance as soon as possible. This costume will remain in school as we will be needing it for our filming and rehearsals in the new term.

If your child is part of the wider cast they will just need some smart clothes as their costume.

Neil Armstrong will need an astronaut costume which can be bought or made easily by wearing white/grey/light blue clothing and attaching Nasa/button patches.

Rosa Parks needs a simple dress and coat. Black flat shoes and an optional handbag and hat.

Winston Churchill needs a black suit, white shirt and bow tie, if possible with a bowler hat and cane/umbrella (cigar is up to your discretion!).

Beethoven needs a waistcoat and trousers with a cravat and a long jacker. He may or may not want to wear a big white wig!

Marie Curie needs a long black dress/skirt and top with a white frilly collar.

Let me know if you have any questions about your costume!

Jess Peiro and Sophie Johnson
