

# Welcome to Evenlode!

A warm welcome to Radley's newest class!

We are a split year group class of year 2 and year 3.

Here is some information for you to get us started!

## Our Teachers

Miss Peiro teaches  
Tuesday - Thursday

Mrs Johnson teaches  
Monday and Friday

## Day to Day

Our PE day is **Wednesday**  
Please come dressed in PE kit on  
this day. We will not need uniform.

## Home Learning

We hope you were able to give your opinions in around home learning via the office email. We will have more information about the plan for home learning by the end of week 2! By the end of next week children will also have a reading book from school to read across the week. In the meantime keep reading and sharing books together at home!

## Our First Term

We are starting our learning with a 2 week focus in literacy on the book *Change Sings* by Amanda Gorman. You are warmly welcomed to our whole school poetry recital on **Friday 15th September!** We then move on to *Leon and the Place Inbetween* by Grahame Baker Smith.

In Maths we are starting off with Place Value and understanding Hundreds Tens and Ones and both reading and writing digits in a number. Ask your children which strategies they have been using to explore number!

Thousands	Hundreds	Tens	Ones
Cube 1000	Flat 100	Rod 10	Unit 1

We are focussing on Geography in our wider curriculum learning looking at Tremors (volcanoes, tectonic plates, rocks) and Urban Pioneers (our locality, street art). We are taking a look at plants in our Science lessons.

## RE and PSHE

We are starting by looking at Hinduism this term and moving on to Understanding Christianity after half term.

In PSHE we are beginning with a focus on Being Me In My World from our Jigsaw scheme.

## Volunteers

We would love to have some parents and adults from the Radley family come into school and volunteer time to read with the children. We know the more opportunities children get to read with an adult, the greater their skill and love of reading becomes!

If you are able to dedicate some time to this please email [office@radleyprimary.uk](mailto:office@radleyprimary.uk) to express your interest!
