

Year 6 Homework, Summer term 1

Please continue to use the **revision booklets** that your parents took home at parents evening, to check your understanding of maths and SPAG!

Each week you'll take home an arithmetic and grammar booklet which you'll have started in class booklets in class. Please continue with or complete the questions at home. You don't need to bring the booklets back to school - instead, you could use them to recap your learning at home. But please come to use and ask if you have any questions or are not sure!

Below are some websites to help you practise the skills you've learned. Have fun!

Maths

<https://www.bbc.co.uk/bitesize/subjects/z826n39> - easy to understand learning guides and videos for all aspects of maths

<https://myminimaths.co.uk/year-6-mini-maths/>

<https://www.mathsgenie.co.uk/primary.html>
- past papers and answers

Spelling, punctuation and grammar (SPAG)

<https://spellingframe.co.uk/> - spelling games and activities

<https://gridclub.com/activities/comma-castle> - punctuation and grammar games

<https://rollama.com/index-games-toggle.php> - punctuation and grammar activities

Reading

<https://eborgardensprimary.co.uk/academy-life/y6-sats-revision/>

This school website has masses of reading comprehension resources, and scroll down for maths and SPAG too!

<https://www.bbc.co.uk/bitesize/subjects/zv48q6f> - easy to understand learning guides and videos for all aspects of English
