17th January 2023

Dear Parents

Visit to Abingdon School Science Laboratory – Tuesday 24th January 2023

We have arranged for Isis Class to visit Abingdon School Science Laboratory, to support our science topic on rocks, minerals and fossils. During the session, the children will have the chance to use laboratory apparatus and they will have a hands on experience looking at animal skeletons, bones, rocks, minerals and fossils.

The date of the visit is Tuesday 24th January. We will be travelling to Abingdon by mini bus, kindly provided by Abingdon School free of charge, leaving here at 12.30pm in time for a 1pm session. We will leave Abingdon School at 2.30pm, so children will be back at school in time for normal home time. All children will need to bring a waterproof coat on the day of the visit.

Please sign the slip below and return to the school office.

Thank you.

Mr Wolstenholme and Mrs Quigley
Isis Class Teachers

Visit to Abingdon School Science Laboratory – Tuesday 24th January 2023

I am willing for my child to take part in a school activity at Abingdon School Science Laboratory on Tuesday 24th January 2023. I understand that all reasonable care will be taken to ensure the safety of those in the party. I am aware that the Council's insurance does not cover personal accident or injury to members of the party unless it can be shown that this is due to negligence of the Council's employees, helpers and assistants for the trip.
