6th September 2023

Dear Parents

Visit to Abingdon School Science Laboratory – Tuesday 12th September 2023

We have arranged for Thames Class to visit Abingdon School Science Laboratory on Tuesday 12th September. The session will launch our science work on the 'Heart and Circulatory System'. During the session, the children will have the chance to use laboratory apparatus.

We will be travelling to Abingdon by mini bus, kindly provided by Abingdon School free of charge, leaving here at 1.10pm. We will leave Abingdon School at 3pm, so children will be back at school at approximately 3.15pm/3.20pm. All children will need to bring a waterproof coat on the day of the visit.

Please sign the slip below and return to the school office.

Thank you.

Mr Wolstenholme and Mrs Quigley
Thames Class Teachers

Visit to Abingdon School Science Laboratory – Tuesday 12th September 2023

I am willing for my child to take part in a school activity at Abingdon School Science Laboratory on Tuesday 12th September 2023. I understand that all reasonable care will be taken to ensure the safety of those in the party. I am aware that the Council's insurance does not cover personal accident or injury to members of the party unless it can be shown that this is due to negligence of the Council's employees, helpers and assistants for the trip.
