13 November 2020

Dear Parents,

I am sure that your son or daughter has told you the exciting news that we are going to go ahead with our Nativity Play this year. Obviously this event will be quite different in many ways due to the COVID restrictions but we aim to make it as normal and beneficial to the children as restrictions allow.

As we are unable to have an audience for our Production we will be recording the event so you will then be able to watch it at home together as a family. We are planning to film the Play in the Church towards the end of term and it will be available to watch in the final week of term (week beginning 14th December).

We will endeavor to utilize as many of our school costumes as possible as we are very aware that it may be difficult to source costumes this year. However, we will need support in finding several costumes that we do not have. If you are asked to source a costume for your child, please let me know if it is problematic and we can ask other parents if they may have any suitable items that we can borrow (these would need to be passed on with COVID restrictions in mind). Our production this year is called **Born in a Barn** and costumes are either based on the Nativity story (most of which we have in school) or on farm animals (these can simply be a top and bottom of a suitable colour).

I will send a separate letter informing you of the part your child will play and information on costumes. Some children may also bring home a set of words to learn in preparation for the Production.

Thank you for your support and we look forward to entertaining you later in the term!

Kind regards,

Julie Ilsley
Cherwell Class Teacher
