20<sup>th</sup> January 2023

Dear Parents,

## **Cherwell visit to Abingdon School's Science Lab – Tuesday 31<sup>st</sup> January 2023**

On **Tuesday 31<sup>st</sup> January**, Cherwell Class will be visiting **Abingdon School's Science Labs** to take part in a workshop entitled '**Animal Adaptation & Habitats**'. This is to support our science learning on 'Amazing Animals'.

Pupils will be shown a selection of the wide range of animals that live in the Science Centre, including musk turtles, crayfish and Chroma, their grumpy but beautiful chameleon! As a group, they will discuss the animals' habitats and adaptations. Then pupils will have the chance to use microscopes to get up close and personal with some smaller creatures, draw their features and apply their new knowledge to identify their habitats.

There will be no charge for this learning experience as Abingdon School offer these workshops free of charge and also cover the cost of the transport to and from the school.

We aim to leave school at 12:45pm and should be back at school by approximately 2:45pm.

Please complete the permission slip below and let us know of any allergies.

With thanks,

Julie Ilsley

---

## **Cherwell visit to Abingdon School's Science Lab – Tuesday 31<sup>st</sup> January 2023**

I am willing for my child to take part in a school activity at Abingdon School Science Laboratory on Tuesday 31st January 2023. I understand that all reasonable care will be taken to ensure the safety of those in the party. I am aware that the Council's insurance does not cover personal accident or injury to members of the party unless it can be shown that this is due to negligence of the Council's employees, helpers and assistants for the trip.

Child's Name:

Has your child got any allergies?
