4th October 2022

Dear Parents,

Cherwell visit to Peachcroft Farm – Tuesday 11th October 2022

On Tuesday 11th October Cherwell Class will be visiting Peachcroft Farm to see their pumpkin field and to find out about the process of growing this crop. This visit will support our learning in many areas of the Curriculum and will lead us into our thoughts on Harvest Time.

We will leave school at approximately 9:15am and walk over to the farm (via Radley College) where we will be met by one of the farmers who will lead this educational visit. As well as having coats, we have been asked to make sure that all children have wellingtons and gloves.

Hopefully the weather will be kind on this day but there is the opportunity to postpone the visit if it is very wet.

As you have already signed the 'Village Walks Permission Form' there is no additional form to sign and the visit is free of charge.

Thank you for your continued support.

Julie Ilsley
Cherwell Class Teacher
