Dear Parents,

If your child would like to bring Christmas cards to give to their friends at school, they are welcome to do so, and there will be a Christmas post box in your child's classroom from Monday 7 December onwards.

Due to the covid-19 restrictions, the separate class post boxes will replace the one central post box we have used in previous years and cards will be 'quarantined' before being distributed.

Please could you ensure your child puts surnames on any card envelopes, where there is more than one child with the same first name. Thank you.

With best wishes,

Grace Slater  
Headteacher
