4 January 2021

Dear Parents,

I write to let you know that, should it be necessary at some point in the future, for a whole class to self-isolate should someone in the class test positive for covid-19, or in the event of the school being asked to close to all but Key Worker and certain other children, we will be providing remote learning.

In such an eventuality, if your child would need to borrow a school chrome book, charger and headphones, to access the remote learning work, could you return the slip below either electronically or in paper form by the end of this week (Friday 8 January). Alternatively, please let Mrs Crook in the Office know, so we can plan accordingly. Thank you.

Please be assured we are forward planning only, and have no knowledge that the school may need to close.

I finish by thanking you for your support of the measures we have in place due to the current covid-19 restrictions.

With best wishes,

Grace

Chrome Book Loan

In the event of a school closure due to the pandemic, or my child's whole class needing to self-isolate, I would like to borrow a chrome book, charger and headphones for my child, for the duration of the period.
