21 October 2020

Dear Parents,

I write to let you know that, should it be necessary at some point in the future, for a whole class to self-isolate if someone in the class tests positive for covid-19, we will be providing remote learning as in the national lockdown.

This will now include pre-recorded videos made by the class teacher and put up in Google Classroom on a daily basis, alongside other work.

If your child would need to borrow one of the school's chrome books and chargers to access this work, could you return the slip below either electronically or in paper form this week, or alternatively let the Office know, so we can plan accordingly. Thank you.

Please be assured we are forward planning only, and have no knowledge of any child or member of staff having contracted the virus.

I finish by both thanking you for your support of the measures we have in place due to the current covid-19 restrictions, and by wishing you and your child a happy and enjoyable Half Term.

With best wishes,
Grace

Chrome Book Loan

In the event of my child's whole class needing to self-isolate I would like to borrow a chrome book and charger for my child, for the duration of the period of self-isolation.
