Dear All,

I am writing with an update on the Governing body and how you may be able to help. The Governing Body is a key foundation of the school to help ensure that Radley C of E Primary School can deliver the type of education and experience that you hope to have for your children. Last year we successfully recruited several parents to take up new roles within the Governor team.

Due to the continual evolution of the body, we are now seeking to recruit specifically for a **Deputy Chair position** to support the school. This voluntary role does not necessarily have to come directly from the school community but we are looking for someone to assist the board and is interested in helping to shape the future direction of the school. The time commitment is approximately 1 - 2 days a month (spread out during the month) and the main duties include acting as a sounding board for the chair, sharing tasks with the chair when agreed, ensuring a manageable workload and being the chair's deputy in times of absence.

The successful recruitment of a Deputy Chair will help with the resilience of the Governing body and provide support to ensure that the key duties are fulfilled. If you are interested or know anybody who might be interested in joining the team please do not hesitate to pass on my contact details which are gmulcahy@radleyprimary.uk.

Finally, it is really important that we have a strong and committed Governors team for the school and securing a Deputy Chair will ensure that the body can go from strength to strength.

Best Wishes

Gareth Mulcahy
Chair of Governors
