Wednesday 9 December

Dear Parents,

You may be aware from the news or other sources, that the government has said schools can make the last Friday of this term an INSET day in exchange for one later in the year. This would be to help schools monitor the government's track and trace system for covid-19 over the Christmas period.

However, having carefully considered this, our school can manage everything necessary with track and trace over the Christmas holiday, without needing to finish term early to do so.

This means Friday 18 December remains our last day of term. Friday will be a short day, as it is the last day of term. Finishing times for the children will be staggered for each class, in line with our covid-19 Risk Assessment, and the timings are below.

Friday 18 December – last day of term finish times

1.10pm Foundation Stage
1.20pm Cherwell
1.25pm Isis
1.30pm Thames

With many thanks,

Grace Slater
Headteacher
