Dear Parents

As part of our work across the curriculum, from time to time we may give children the opportunity to taste a variety of foods. In the past, we have informed you each time we have done this, but in order to give us more flexibility we are writing to ask your consent to offer children food on any occasion.

Please could you return this form to school **by Friday 18th January**, with information about any dietary requirements or food allergies that your currently child has.

If your child's dietary requirements change during the year, please inform us as soon as possible.

Thank you for your support,

Mrs Grace Slater
Headteacher
