Dear Parents,

I write with further details of the 'live' morning sessions which begin for the children tomorrow. All Home Learning children who would like to participate are invited to join the session for their class, and the Key Worker children in school will be part of the class sessions too.

I also need to let you know that each Google Meet session will be recorded (and this will also be the case with the separate workshop sessions for the Home Learning children). If you are a parent of a Home Learning child and would rather your child does not participate, this is fine. If you are the parent of a Key Worker child, and do not want your child to participate in these sessions, please let the Office know in advance of 9am tomorrow morning. Thank you.

In addition we ask please, that Home Learning children when participating in a Google Meet session are:

- in a quiet place and that (at least initially) the microphone on the device they are accessing the session from is on 'mute', within Google Meet.
- wearing their day clothes (and not their pyjamas).
- the only person appearing on the screen (should their microphone not be on mute, background noises will also be heard).

We are very much looking forward to 'seeing' the children tomorrow!

All best wishes,

Grace Slater
Headteacher
