Rights and Responsibilities

At Radley CE Primary School, we use the concepts of rights and responsibilities in making choices about all our behaviour. We believe that these rights and responsibilities extend to all adults and children in our school community in whatever capacity.

Over-arching all the rights and responsibilities, is the need for all members of the school community –

- To be shown understanding and consideration by others

Underpinning this are four further key rights and responsibilities –

Rights

- To feel safe
- To be listened to
- To learn
- To make mistakes

Responsibilities

- To think and act in a way that keeps us and others feeling safe
- To listen to and value the thoughts and feelings of everybody
- To be prepared for learning
To enable others to learn
- To admit and put right our mistakes
To ask for help and learn from our mistakes
To allow others to make mistakes

Aims

Our aim at Radley CE Primary School is to develop the full potential of every child academically, creatively, socially, and physically, whatever their ability, in a caring, Christian environment.

We endeavour to work co-operatively with parents and carers to make sure that information is shared for the benefit of the children in our care.

We aim to play an active part in our Parish and to serve the community of Radley, and beyond, well.
