

Thames Homework Guidelines - Comprehension

Due in Wednesday (given out on Thursday)

- This homework is **not set as a test**.
- The aim is to regularly practice, and further develop skills that we are learning in school.
- Children should attempt to read the text, and answer the first two pages of questions in one sitting. During the second week, they will reread the text and answer the remaining questions for the text.
- If children become stuck on a question, encourage them to 'move on' to the next question, and return to it later.
- We are happy for you to assist your child if they are finding it challenging, but ask you to put a * beside each question where they have needed help.

MARKING

- Answers to each section are found at the back of the book.
- Please take a few minutes to mark the work with your child. If you could again indicate where your child struggled with a * , this would be appreciated.
- Work will be looked at each week at school, and merits will be awarded for good effort (not perfection).

*** Please do not hesitate to inform us if you feel your child is consistently struggling, or you have other concerns.
