Dear Parents,

As part of our work in design technology and history, we are planning an Ancient Roman food morning on Thursday 21<sup>st</sup> October. The children will learn about the types of food eaten in Ancient Rome and will have the chance to prepare and eat some Roman snacks. The ingredients we will be using are listed at the bottom of this message. If you have any concerns about your child eating any of these ingredients, please contact the school office at [office@radleyprimary.uk](mailto:office@radleyprimary.uk) or speak to Mrs Quigley or Mr Wolstenholme.

Your child is welcome to bring a picnic blanket to school to sit or lounge on while we eat our snacks, as the Romans did!

Thursday 21<sup>st</sup> is also the day of the Radley Readathon, which Isis Class will be participating in during the afternoon. Please could children therefore bring to school a bag containing their PJs /onesie and their picture book to share (if they are bringing one). We'll ask children to keep their bags on their pegs during the morning, away from the messier parts of the cookery!

Thank you for all your support  
Anne Quigley
