Dear Parents and Carers,

I am writing to let you know that unfortunately Mr Wolstenholme's operation has been postponed a week, so he will be back in school next week (hurray!) and then will away again from Monday 15th November, and returning on Monday 29th November. In his absence Mr Robert Grayston will be back to teach in Isis class on Mondays, Tuesdays and Wednesdays as originally intended. Mrs Quigley will still be teaching in Isis on Thursdays and Fridays as normal.

I am sure, as we all, you join me in wishing him no more delays and a speedy recovery!

With my best wishes,

Claire Thomas
Headteacher
