Music	Learning to play the recorder
MFL	French
P.S.H.E.	Getting to know you Rules Relationships

Spellings are set on a Monday and your child should come home with a spelling list on that day. The children will be tested on those spellings on Friday.

Homework will be set for children on a Friday and stuck into their orange homework books. There will usually be a Maths task, game or activity to do, and either a literacy, topic or other subject task. If there are any concerns over homework, or one week your child cannot complete the task for a valid reason, please write in the homework book to let us know. Also, if your child is spending too long on homework let us know, as we would like the homework tasks to be enjoyable as well as aid learning. If possible, we would like the homework book back by Wednesday in order to allow us to look at the homework before setting the next task, but the children can bring it in Thursday and Friday if they have taken longer completing the task.

We would also encourage you to continue reading and discussing the content with your child, as comprehension skills and prediction of what may happen next become more important as your child gets older.

Please let us know if you would like any further information. Thank you again for your support.

Yours sincerely

Mrs. Bratley and Mrs. Dyer
