7th January 2022

Dear Parents

I'm writing with a little more information about Isis Class' walk on the afternoon of Thursday 13th January. To support our work in geography and literacy, we'll be walking to the churchyard and through Radley College grounds. Children will be learning to read and draw a map, using their descriptive writing skills to compare the places that we visit.

Please could all children bring a pair of wellies to school in a plastic bag: our route around Radley College could be wet and muddy so we will change into wellies for the walk. A hat and gloves as well as a warm coat would also be really useful!

Best wishes and thank you for your support,

Anne Quigley
