8th September 2021

Dear Parents

Oxfordshire County Council – Outdoor Education at Kilvrough

We have provisionally booked 26 places for a residential visit to Kilvrough Manor near Swansea, in Wales, for one week (Monday to Friday) from **23rd to 27th May 2022**.

The cost will be £345 per child, this includes board and lodging, transport and insurance. The total amount can be paid for in instalments over four months (£75 deposit, plus 6 months x £45).

Kilvrough Manor concentrates on the personal and social development of every individual by providing high quality residential outdoor courses that are challenging, educational and emphasise the values of living and working together. It is run by fully qualified instructors in a small, safe and friendly atmosphere which is well suited to younger visitors.

Kilvrough Manor offers a wide range of challenging outdoor activities for example:-

- **Caving**
- **Rock Climbing**
- **Canoeing or Bodyboarding**
- **Beachcombing**

This would be a wonderful experience for your child as it would allow them to take part in activities that they would not normally do within the school setting. In addition, help build their confidence, leadership skills and self-esteem. Please note that this will be the only residential visit your child will experience while they are in Thames class, due to our two year rolling curriculum cycle.

We need at least 16 children to take part for us to book the course, please complete the slip below if you are interested and return to the school office **by Monday 13th September**.

On confirmation of the course a deposit of £75 per pupil place is required. A further letter will be sent out with more details.

Yours sincerely

Mrs Claire Thomas
Headteacher
