Dear Parents,

We are delighted that your child will be participating in the Gabrielli Roar trip to Coventry Cathedral. As you already know, the children will not be back until late that evening.

We know that children (and teachers!) are not at their best when they are tired, and we are keen to ensure that the subsequent learning during that week is not impacted negatively.

We have therefore decided that for those children participating in the trip, there will be a later start to school on Tuesday 6th December, to allow the children to sleep in as needed. School will start at 11am.

If you are unable to let your child sleep in due to work commitments, we will also have a 'soft start' in school where children from Thames and Isis can come in at normal time and can take part in calm, relaxed activities until 11am.

Yours sincerely,

Claire Thomas
Headteacher
