12 January 2021

Dear Parents,

I write to let you know that, as of tomorrow morning (Wednesday 13 January), your child is invited to take part in a live 15 minute 'start the day' session with their class each day. Cherwell and Thames class sessions will be at 9am, and the session for Isis class will be at 9.20 am. Mrs Crook is sending details of how your child will be able to access this 'start the day' session through Google Classroom.

Mrs Crook is also sending you details about the timing of a 25 minute workshop your child will be offered on a once weekly basis, with a small group of other children from their class. For Isis and Thames these workshops will begin tomorrow, and the sessions for Cherwell on Friday. These workshops will also be accessed through Google Classroom.

With my best wishes,

Grace Slater
Headteacher
