### Radley FSU aims to:

- Provide high quality care and education for the children in the foundation unit;
- Work in partnership with parents to help children to learn and develop;
- Offer children and their parents a service which promotes equality and values diversity.

### As a member of RFSU your child:

- Is in safe and stimulating environment;
- Is given care and attention, because of our high ratio of adults to children;
- Is encouraged to join with other children and adults to learn together;
- Is helped to take forward her/his learning and development by building on what s/he already knows and can do;
- Has a qualified teacher who ensures your child makes progress;
- Is in a setting in which parents are encouraged to be involved

### Session Times

Due to current restrictions our session times are:

For children aged 3-5 years, Monday to Friday 9.05am to 11.45am (Morning only)

For children aged 3-5 years, Monday to Friday 9.05am to 2.50pm (All day)

### Fees

Your child is eligible for government funding the term after their third birthday. Funding will be received directly by the school for 15 hours per week (5 sessions).

Extra sessions, if available, are charged at £15.00 per session. You will be invoiced monthly in advance.

For working parents of three and four-year-olds the government will provide a further 15 hours, making 30 hours a week in total (10 sessions) of funding.

Parents must give us half a term's notice if they wish to remove their children from the FSU and all sessions allocated must be paid for.

## **Admissions and Registration**

We accept children onto our waiting list at 24 months of age.

## **Curriculum**

Children start to learn about the world around them from the moment they are born. The care and education offered by the FSU helps children to continue to do this by providing them with interesting activities that are right for their age and stage of development. All children before entering Key Stage One experience the Early Years Foundation Stage (EYFS) Curriculum.

Children are observed and assessed using the EYFS and monitoring each child's progress enables us to provide the right activities to help all children move towards their continuing development.

## **The Role of the Parents/Carers in Early Years Education**

RFSU recognise parents as the first and most important educators of their children. All staff see themselves as co-workers with you, in providing care and education for your child. There are many ways in which parents take part in making RFSU a welcoming and stimulating place, such as:

- Exchanging knowledge about their children's needs, activities, interests and progress with staff;
- Sharing their own special interests with the children;
- Helping to provide, make and look after the equipment and materials used in the children's play activities;
- Joining in community activities in which the FSU takes part;
- Fundraising for the Foundation Stage Unit.
