9th September 2022

Dear Parents/Carers,

As you may already know, it was announced yesterday (8.9.2022) that HM Queen Elizabeth II died peacefully at the age of 96.

Today, as a mark of respect Mrs Thomas will hold an assembly for the children. The assembly will be sensitively conducted and will celebrate the life and contribution of the Queen. There will be a minute's silence held during the assembly, with a 30 seconds round of applause at the end.

Queen Elizabeth II would have fitted in a treat her at Radley Primary School. She lived our school values of Relationships, Resilience and Respect.

Our teachers, support staff and all of us at school will be on hand to support the children through today with the same love and care as always.

The church has opened a book of condolence and will be open for visitors today.

Kindest regards

All at Radley Primary School
