

*Jesus said, 'I come to give life -  
life in all its fullness'*

John 10:10

At Radley CE Primary, we want every child to have a happy and fulfilling life, both in and out of school.

Living life to the full means that we want you to have the **best education possible**. We want you to learn lots of new and interesting things and be able to remember and use your knowledge in different situations. But it's not just about books and tests and results. We also want you to have fun and enjoy school.

In our school, we will help you to **become the best version of yourself**. We will teach you important **values** using the 'Radley R's' like being kind, respectful and helpful. We want you to grow up to be responsible, resilient and caring people.

We will make sure that you have lots of **opportunities** to try new things and discover your talents. Whether it's playing sports, making art, or singing, we want you to find what you love and enjoy doing it.

In our school, we believe that everyone is special and unique. We want you to feel like you **belong** and that you are **important**. At Radley we **celebrate** our differences and learn from each other.

We will work together with your parents and the community to make our school the best it can be. We want you to **feel supported and loved by everyone around you**.

At Radley CE Primary, **we will help you live your life in its fullness**. We will give you a great education, teach you important values, help you discover your talents, and make you feel like you belong.

**We want you to be happy, successful, and have a wonderful life.**
