

13<sup>th</sup> September 2021

Dear Parents,

I am delighted to be working with your child in the Recorder Club this term. This will take place on Tuesday lunchtimes.

I have plenty of recorders which children will be able to use for the sessions – these will be named so that they can always use the same one each week, no sharing! If any children already have their own, they are very welcome to bring these in if they prefer (named please). If your child would like to purchase their own recorder (so that they can practise at home in between sessions) Normans Musical Instruments offers a good value beginner recorder that may be of interest:

- **A-Star Descant Plastic Recorder – Beige**                      **£2.49 each**

If you would like to purchase a new recorder for your child to be able to bring home between sessions, **please order by Friday 17<sup>th</sup> September, via School Money**  
[www.eduspot.co.uk](http://www.eduspot.co.uk)

You will find the recorder under 'Shop Item' (where you would order school uniform).

Please note: if you wish to purchase/bring along a different recorder, please ensure that it is the Baroque fingering system (this is most common - if you are not sure, you are welcome to bring it along to show me).

Just to confirm, there is no obligation to buy a recorder in order to participate as there will be recorders available for the sessions.

I am very much looking forward to working with the group this term.

Best wishes,

Helen Eccleston  
(Recorder Club tutor)
