

Hi all,

Leading on from our recent survey, it was useful to hear that a large percentage of people would like a summer fete and would be able to volunteer to help - thank you.

Further to our 'save the date' previously circulated (Saturday 8 July), we would now appreciate knowing if you would be available to volunteer for a half hour slot that afternoon. We are gauging volunteer numbers now in order to know if we have enough to enable the fete to go ahead and more detailed planning commence.

We will be outside the school with sign up sheets throughout the week commencing 24 April. At this time, we would just like to know whether you would 1) be available and 2) prefer to volunteer to help on a food, drink or game stall so that we have rough numbers (you would not be committing to a time or stall at this stage).

If you do not usually do school drop off or pick up and would like to volunteer, please email friendsofrps@outlook.com

Please note: Children in years 5 and 6 would be able to help on game stalls, as would older siblings....in case you would like to volunteer your child instead of yourself!

We will then look at the number of volunteers and work out if a fete can go ahead.

Many thanks, Friends of Radley Primary School
