Dear Parents,

On Monday 5th December, Isis and Thames Classes have been invited to take part in a special musical event taking place in Coventry Cathedral. This is a huge national performance called Gabrieli ROAR.

It will bring together around 600 singers with the internationally-renowned [Gabrieli Consort](#), performing a programme of Christmas music from the 16th-century to the present day. It's a once-in-a-lifetime opportunity and all expenses will be covered for transportation and concert tickets.

The performance will include lots of teenage singers including members of the Oxfordshire Youth Choirs, Cherwell School, Larkmead School, Radley College, Didcot Girls School and Cheney School – giving our children the experience of collaborating with other local partners.

Further details will follow, but we have been asked to provide t-shirt sizes for all children so that free t-shirts can be ordered during the half-term break.

Please open and complete the link to the GOOGLE FORMS, by Thursday 20th October so we can process our order. If we do receive your GOOGLE FORM, teachers will make a 'best fit' decision for your child.
