Monday 17th April 2023

Dear Thames Class Parents,

Thank you for your continued patience and support during this unsettled time in Thames Class while Mrs Sparks is absent. Unfortunately, she is still not well enough to return after the Easter holidays. This week the children will be delighted to know that we have been able to secure Mr Stainsby on Monday, Tuesday, Thursday and Friday, with Mrs Wolstenholme on Wednesday (Mrs Quigley will teach in Isis in his place). The following week (from 24th April) Mr Conway will teach Thames Class all week.

Please do be reassured that both these teachers know our school and the children well, and that Mrs Holt and Mrs Goddard continue to offer pastoral care and ensure consistent and high quality learning provision. To maintain routine, we have also tried to keep everything the same, therefore, Y6 SATs Club will continue on Tuesday and Thursday morning from 8.20 and Thames Class will also visit with the Radley College maths ambassadors as usual on Wednesday afternoons.

I am also very aware that you have not yet had parents meetings to discuss the progress of your children and what areas they need to focus on to ensure they are on track to achieve their year group expectations at the end of the year. To go some way towards this, I will put together a written update for each child to identify particular areas to support their learning in reading, writing and maths based on their achievement this year so far.

As soon as I know when Mrs Sparks is well enough to return, I will of course let you know.

Thank you for your continued understanding in this matter,

Yours sincerely,

Claire Thomas
Headteacher
