

Ancient Maya 	The Explorer 	Habitats 
Choose an aspect of Ancient Mayan life. Research it and present your findings as a poster or brochure.	Calculate the distances (in km and miles) to Manaus from 6 capital cities around the world. You could plot these on a map.	Choose two animals from different biomes. Compare their similarities and differences including habitat diet, appearance and interesting facts.
Ancient Maya loved treasure. Draw your own Ancient Maya Treasure Map with clues to follow.	Pack a suitcase / backpack. What 5 items would you pack if you were going on an Amazon expedition? Rank your items from most to least important and explain your choice for each.	Choose a plant to investigate. Find out as much as you can about it. Present your information in a creative way (labelled cross section, images and annotations).
Design an Ancient Maya artefact and include an information card to give details about what it was made from and what it was used for.	Find out about the current challenges facing people living in the Amazon. Write a persuasive letter explaining these challenges to World Leaders and asking for their support.	Create your own animal or plant. Write an article about it as if you have just made a new and amazing scientific discovery. Include information about its' habitat, diet, predators and unusual features or habits.
Research Ancient Maya foods and try to recreate a recipe for your family. Ask for their honest feedback after they have sampled your cooking. Take some photos to share.	Write your own chapter for 'The Explorer.' It could be at the beginning, middle or end of the story.	Choose an endangered species to investigate. Produce a fact-file or Google Slides with as many details as you can.

BRONZE	Complete and present at least one of the above challenges by the 14 th December.
SILVER	Complete and present at least two challenges from different categories by the 14 th December.
GOLD	Complete and present at least three challenges (one from each category) by the 14 th December.
