11.12.2020

Dear Parents,

I am sorry to be letting you know that Mrs Sparks will not be teaching the children for the final week of term, as she remains unwell.

We have arranged for the two teachers the children now know well, to teach the children again next week. Mrs Becky Rogers will teach the class on Monday, Tuesday and Wednesday of next week, and Mr Collis on Thursday and Friday.

### **Christmas Film Afternoon**

The children's end of term Christmas film afternoon will follow the Christmas Dinner on the afternoon of Wednesday 16 December. The children are invited to wear home clothes for the whole day, if they would like to.

Thank you again for your continued support of your child with their homework. Could I remind you that children should complete the longer piece of creative homework, set some weeks ago, ready to bring (or email) into school this Monday (14 December) please. The sheet with the creative homework activities the children were given accompanies this letter separately, in case it is helpful for you to refer to. The children only need to complete one of the activities on this sheet. Thank you.

For the coming week, Mrs Sparks has set the following homework for the children in Google Classroom:

Homework given Friday 11th December to be completed by Friday 18 December

- Literacy - Please follow the Readworks link to read the passage and answer the comprehension questions.
- Maths Login to Education City and go to Classwork. Complete the online activities. The worksheets are a bonus activity. I have included several short games for extra practice.
- Reading - Please continue your daily reading of at least 20 minutes a day and record in your diary.
- Spellings - Go onto Quizlet and practise the Thames Autumn 1 and Autumn 2 lists.
- TT Rockstars / DK Times Tables - Continue to spend 10 minutes a day either on TT Rockstars or DK Times Tables.
- Extra Challenge- Year 6 - Go onto BOFA and try to complete one Maths and one Reading Comprehension Test

Please do not hesitate to get in touch with me, should you have any queries.

With my best wishes,

Grace Slater  
Headteacher
