2nd November 2022

Dear Parents,

Thank you for all the support you have given your child with their home learning so far this term, (supporting them with their reading, spelling and weekly maths). We are now introducing a weekly reading comprehension activity for children to complete as well. This will be a similar format to the maths workbook and parent guidance will be stuck inside the front cover.

We would like children in Thames to continue the following tasks at home:

- Daily reading – 20 minutes (please can you initial / sign each time your child has read)
- Weekly spellings to learn – children have spelling folders and weekly lists can be practiced on Quizlet or Spelling Frame
- Star Spellings – Termly list of National Curriculum words (list in spelling folder and can be practiced on Quizlet or Spelling Frame)
- Weekly Maths activity – this will usually be pages in their workbook to complete and self-mark

REMINDER – HOMEWORK and READING DIARIES to be brought in on WEDNESDAYS

SPELLING FOLDERS and tests on THURSDAYS

This week there will also be an OPTIONAL creative task celebrating Black Artists (see details below).

As always, please do come and speak to us if you have any questions or concerns. Thank you again for all your support.

Best wishes,

Heather Sparks & David Pearman
