4.12.2020

Dear Parents,

Sadly Mrs Sparks remains unwell, and I am sorry to be letting you know that she will be unable to teach the children next week.

We have arranged for Mrs Becky Rogers, who the children now know well, to teach the class on Monday and Wednesday next week, and for Mr Collis to teach the children on Tuesday, Thursday and Friday.

Thank you for your support with your child's homework this term. For the coming week, Mrs Sparks has set the following homework for the children in Google Classroom:

*Homework for 4th December to be completed by Friday 11 December*

*Literacy - Please follow the Readworks link to read the passage and answer the comprehension questions. Maths - Explore <https://www.bbc.co.uk/bitesize/topics/zsjqtr/articles/zsbd7p3> Then login to Education City and go to Classwork. Complete the online activities. The worksheets are a bonus activity.*

*READING - Please continue your daily reading of AT LEAST 20 minutes a day and record in your diary. SPELLINGS - Go onto Quizlet and practice the Thames Autumn 1 and Autumn 2 lists.*

*TT Rockstars / DK Times Tables - Continue to spend 10 minutes a day either on TT Rockstars or DK Times Tables.*

*EXTRA CHALLENGE - Year 6 - Go onto BOFA and try to complete one Maths and one Reading Comprehension Test*

If you would like to email the office with any of your child's completed homework for marking (where this is appropriate), or to print it out for your child to bring into school to be marked, please do so. However, you need not feel you are required to do this.

Please do not hesitate to get in touch with me, should you have any queries.

With my best wishes,

Grace Slater  
Headteacher
