Dear Parents,

As we approach the end of our first term of the academic year, we would like to ensure that all children are able to access online learning from home, should the need arise.

During lessons, all children have been accessing their Google Classroom accounts frequently and should now be confident with how to login and find tasks within the Thames Classroom. The 'Classwork' area is organized into subject areas, and weekly instructions and videos would be found here if we moved to online learning.

Should we need to, we will also be using the following websites;

- Education City
- Readworks
- TT Rockstars
- Spelling Tutor
- BOFA (Year 6)

Children should have all their logins for these sites recorded in the front of their Learning Diaries.

Please check over the half term break by logging on to these online resources and then let us know at the start of next term if you have any problems. Alternatively, your child can send me a private message through Google Classroom on the document titled 'Website logins' to inform me of any issues.

I wish you a safe and restful week and look forward to seeing you next term.

Kind regards,

Heather Sparks
Thames Class Teacher
