Dear Parents

## Thames Visit to National Space Centre, Leicester – Wednesday 14<sup>th</sup> September 2022

In order to enrich and support our Autumn Term science topic work on Earth and Space, we have arranged for Thames Class to visit the National Space Centre on Wednesday 14<sup>th</sup> September 2022. We will be travelling by coach, leaving school at **8:45am** and returning back to school by approximately **3:45pm**.

During our visit to the National Space Centre, the children will have the opportunity to visit six interactive galleries, enjoy a show in the UK's largest planetarium and explore the 42m high rocket tower. Some areas they will learn about include: space exploration and technology; the life of an astronaut and our place in the solar system.

Your child should wear their normal school uniform, and will need to bring a waterproof coat, packed lunch (including a snack) and a water bottle. If your child requires a travel pill, please ensure that it is given before they arrive at school. You will also need to complete a medical form and provide an additional tablet for the return journey (to be given into the office).

The voluntary contribution for the visit is £25 per child, £14.80 towards the cost of the transport and £10.20 for admission (this has been subsidised by the school). Please pay online using School Money [www.eduspot.co.uk](http://www.eduspot.co.uk) and **tick the consent box** (no need to return the slip below) **or** enclose £25 payment by cheque or cash **with the completed slip below slip please**.

We would appreciate the help of any parents who are able to accompany us on the trip. Please speak to Mrs Crook, if you are able to come with us.

Thank you for your support of what we hope will be an exciting and enjoyable trip!

Thames Class Teacher
