Dear Parents

Thames Visit to Sutton Courtenay Nature Reserve – Wednesday 23rd March 2022

As part of Science week, and to enrich and support our Summer Term topic work on Rivers, we have arranged for Thames Class to visit Sutton Courtenay Nature Reserve on Wednesday 23rd March 2022. We will be travelling by coach, leaving school at 9.20am and returning back to school by approximately 3pm.

During our visit to the Sutton Courtenay Nature Reserve, the children will have the opportunity to learn about ecosystems, the water cycle and flood management systems. We will also have the opportunity to develop fieldwork skills and observe both the human and physical features of the landscape.

School uniform is not required. As we will be outside for much of the day, children will need to wear warm clothes (that you don't mind getting muddy) a warm, waterproof coat and sturdy shoes that are suitable for wet ground. **Wellies will be essential** for our fieldwork investigation of the stream so please also bring a pair of wellies (in a separate bag). If the weather is cold, a hat, pair of gloves and thick socks would also be useful. Your child will need a packed lunch, including a snack, and a water bottle. If your child requires a travel pill, please ensure that it is given before they arrive at school.

The voluntary contribution for the visit is £15 per child (£7 for the transport and £8 for admission/workshop). Please pay online using School Money www.eduspot.co.uk and **tick the consent box** (no need to return the slip below) **or** enclose £15.00 payment by cheque or cash **with the completed slip below slip please.**

Thank you for your support of what we hope will be an exciting and enjoyable trip!
